

# COMMERCIAL DATA SHEET

## Alpine 125 XR Remote

### Billi Alpine 125 with XR Remote Dispenser

Enjoy refreshing chilled or a continuous supply of ambient temperature filtered water.

Billi's Alpine 125 offers a premium filtered drinking water experience to account for all preferences.

The XR remote dispenser is an innovative design around accessibility, which utilises a remote-control panel to provide inclusive access for ambulant or wheelchair users.

### Finishes

#### Standard Finishes

CH - Chrome

BR - Brushed

MB - Matte Black

#### Special Order Finishes

MW - Matte White

RG - Rose Gold

As a fit for purpose solution to comply with the Equality Act 2010, the specification code is 932125RCHUK

# TECHNICAL DRAWING & INSTALLATION REQUIREMENTS

## PRODUCT DIMENSIONS

## PREFERRED INSTALLATION LAYOUT

Refer to installation requirements, these drawings are for guidance only.

### WATER SUPPLY

An accessible drinking water supply from a 15mm pipe with a minimum pressure of 2.5bar static and 6 litres a minute flow should be located in the base unit of the installation location.

### POWER SUPPLY

A 13amp single switched socket must be positioned at a high level and accessible within the cupboard. The unit comes with a 1 meter flex cord and plug.

### WASTE REQUIREMENTS

A 32mm/40mm mains waste pipe is required within the base unit. This pipe should include a trap or u-bend to prevent any unpleasant odours. If there is a spigot waste connection, two spigots are required to connect to the waste and condenser line.

### WARRANTY

The Billi Alpine Range is covered by a comprehensive 2 year warranty on all parts and labour.

### FILTRATION

Billi's range of premium filters utilise BWT's unique Fibron X technology which provide superior taste, water quality, consistent filter life and peace of mind on the topic of hygiene.

Supplied: 994051 (5 micron).

### CERTIFICATIONS & COMPLIANCE\*

Every Billi drinking water appliance is manufactured under a certified quality control system. All Billi commercial range models have been tested and comply with all required standards including: ISO 9001:2015, QEC 11627; WRAS certified; WELL Cornerstone Member; BREAMM compliant; LEED compliant;

\* Drawings are for guidance during specification, refer to Installation requirements for final install. All efforts are made to ensure Certifications & Compliance claims are current, however this is subject to change without notice.
