

COMMERCIAL DATA SHEET

Alpine 120 Square Slimline

Billi Alpine 120 with Square Slimline Dispenser

Enjoy refreshing chilled and a continuous supply of filtered water. Billi's Alpine 120 offers a premium filtered drinking water experience.

Even after the chilled tank reserve has been depleted, the Alpine 120 is capable of dispensing a continuous stream of cool filtered water, supplied from the square slimline dispenser with single paddle lever operation.

BR - Brushed

MB - Matte Black

Special Order Finishes

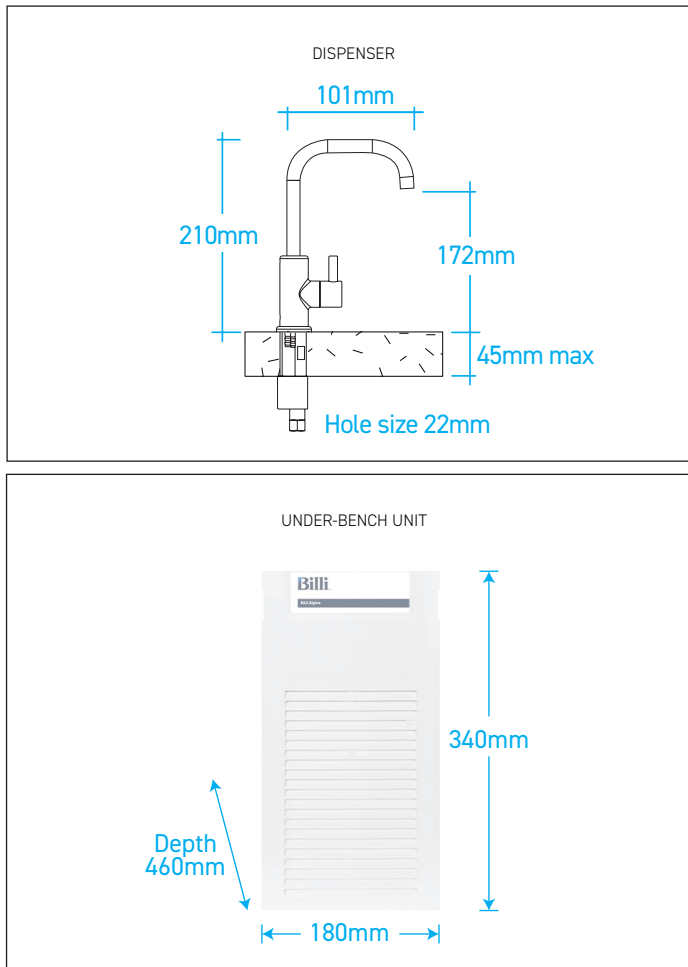

MW - Matte White

RG - Rose Gold

Add the relevant Finish Code and the Country Identifier (UK) to the Product code to complete your specification eg 932120SMBUK

TECHNICAL DRAWING & INSTALLATION REQUIREMENTS

PRODUCT DIMENSIONS

PREFERRED INSTALLATION LAYOUT

WATER SUPPLY

An accessible drinking water supply from a 15mm pipe with a minimum pressure of 2.5bar static and 6 litres a minute flow should be located in the base unit of the installation location.

POWER SUPPLY

A 13amp single switched socket must be positioned at a high level and accessible within the cupboard. The unit comes with a 1 meter flex cord and plug.

WASTE REQUIREMENTS

A 32mm/40mm mains waste pipe is required within the base unit. This pipe should include a trap or u-bend to prevent any unpleasant odours. If there is a spigot waste connection, two spigots are required to connect to the waste and condenser line.

WARRANTY

The Billi Alpine Range is covered by a comprehensive 2 year warranty on all parts and labour.

FILTRATION

Billi's range of premium filters utilise BWT's unique Fibron X technology which provide superior taste, water quality, consistent filter life and peace of mind on the topic of hygiene.

Supplied: 994051 (5 micron).

CERTIFICATIONS & COMPLIANCE*

Every Billi drinking water appliance is manufactured under a certified quality control system. All Billi commercial range models have been tested and comply with all required standards including: ISO 9001:2015, QEC 11627; WRAS certified; WELL Cornerstone Member; BREAMM compliant; LEED compliant.

* Drawings are for guidance during specification, refer to Installation requirements for final install. All efforts are made to ensure Certifications & Compliance claims are current, however this is subject to change without notice.
